

SHARE YOUR SUCCESSFUL IDEAS

All titles, authors, and facilities will be acknowledged and printed in the final Program brochures. In addition, *principal* authors will receive a **\$25 discount** from the refreshment & luncheon fee.

No abstract is required to share your knowledge and good ideas, and we encourage posters from **all members** of your facility's multidisciplinary team. You will receive special recognition in the program materials.

If you would like your poster and name(s) listed in the final program brochure to be distributed on the day of the Annual Meeting, please fax this form to 203 - 389 - 9902 to the attention of Cynthia Lambert or Peggy Lynch by August 30, 2010.
